Stan explained that confirmation of the Fairtrade Status for Calne was received by the Fairtrade Foundation just two days before our Fairtrade Fortnight event at the library in early March. This status is due for renewal in February 2020 and thereafter, every two years. During this time, efforts will be made to improve a Fairtrade presence in the town with an emphasis on reaching schools in the area and the surrounding Parishes.

The Chairman's Report and the full inspected accounts were attached to the Agenda.
