Apologies – as above

1. Stan welcomed everyone to the meeting.

2. Minutes of last meeting were approved.

3. Matters Arising

Banners – Stan is purchasing two new banners with some of the money left from the last Grant (£340.20) which we have permission to keep and use for community purposes. These banners have images of the art of the three winners of the FT Year 8 art competition at Kingsbury Green Academy (formerly John Bentley School).

Calne Carnival – A good day and weather great. Giving out FT chocolates from the float was a good move although we ran out quickly.

Town Signs – No further information, still possibility of putting FT status signs on two roundabouts either side of Calne.

Schools/publicity – Hoping to get into Junior schools to promote FT and Climate Change information via David Songhurst of Calne Against Climate Change Group. Stan is working with CACC to set up a display with hand-outs and an information display in the library regarding FT and Climate Change from next week for a month.

FT Directory – Some update from local suppliers but not sufficient to make a published Directory – suggest concentrating on electronic directory and consider using the Town Crier to promote a FT supplier each month – with their permission.

4. Fairtrade Fortnight 2020 – 24th February – 8th March

It was decided to arrange an event for Saturday 7th March so as not to conflict with The Twinning trip to America.

Some comments to consider –

Move refreshment area nearer to the kitchen.

Consider a competition on making items with re-cycled materials – ideas for next meeting.

Film rather than another Skype.

Entertainment – children's singing/band/ (St. Mary's contact Simon Parker, Alta Ridgeway, Ros Patterson) – Hubert from St. Edmunds?

Others?

5. DONM – Wednesday 6th November 2019 at 4.00 pm. Woodlands Lodge.
